ness on stock exchange. Foreign exchange duli; the best bills on the street sold at 19%(39%; and 10%) for sight, but asking rates direct are a %c higher. One Canada bank sold to-day 26,000 sterling at sixty days.

Straintan—At 9.7-16.

Gold—Quiet and steady, closing at 116%(3016); There was considerable gossip of a new gold pool, and vague rumors about gold being locked up and made worth a promium for borrowing. These reports could not be fully athenticated although they gained some believers. The fact that gold is worth something on time may give rise to these reports about high borrowing rates in future. The rates for carrying to-day were 1, 2 and 5 per cent to flat. Otsarances \$50,000,000. Opening price 118%, and highest price of the day 1807. Borgos—Quiet and steady.

United States 5°s of 1881, coupons. 114%(3014%, Five-twenties (1883).

Pive-twenties (1885). 111%(30118).

Five-twenties (1885). 110%(30110).

Five-twenties (1885). 110%(30110).

Five-twenties (1888). 110%(30110).

Gurrancy sixes. 111%(30111). The appointment of President Williams to the office of Superlutendent of Schools will' in no way injuriously affect the institution. It will be in the future as it has been in the past, a practical, vigorons, five invitations in the past, a practical, vigorons, five invitations of the Special stuntion will be given to the preparation of Young Gentlemen and Ladies for the practical and business life, and particularly for the work of the Teacher.
